SAMSUNG DeX SOLUTIONS BY HAVIS

STAY CONNECTED. VEHICLE. OFFICE. EVERYWHERE.

COMPACT DESIGN, ROBUST MOBILE DEVICE SOLUTION

Havis DeX Solutions turn your Samsung device into a fully functional mobile workstation—ideal for public safety, warehouse, and enterprise environments. Our complete system includes secure phone docking, full-sized keyboards, sunlight-readable touchscreen displays, rugged phone cases, and purpose-built mounting options. Whether in a patrol car, on the warehouse floor, or in the field, Havis delivers the durability, flexibility, and performance today's mobile workforce demands.
