INSTALLATION INSTRUCTIONS:

1. Review hardware contents and ensure all items are available for assembly.
2. Remove existing side lugs and rear fences (if any).
3. Loosely assemble the new kit to the base tray as shown in exploded view.
4. Adjust tray according to the configuration instructions in the UT-1000/2000 Series Owner's Manual (accessible at **www.havis.com** within the **UT-1002** product page).

NOTE: Retain all unused hardware for possible future re-use.
