

FLEXIPOLE POS MOUNTS

FOR VERIFONE P200/P400 PAYMENT TERMINALS

FlexiPole™ from Havis is a versatile pole mount system with bespoke backplate for Verifone P200/P400 Payment Terminals.

Security is designed into FlexiPole stands through a unique latching system which securely holds the device in place, together with additional security options. Simply select the FlexiPole mounting option for your Verifone P200/P400.

- Protects your investment by protecting your PINPad & cables from damage, theft & criminal interference
- Future-proof - if you upgrade your PINPad, you only need a new backplate
- Quick Release, Locking or Tethered Options
- Helps towards compliance with accessibility & disability regulations & PCI DSS/P2PE security requirements
