- Built with high-performance composite
- Available with AMPS & VESA 75 hole patterns
- Lifetime warranty
- Made in the USA

KEYBOARD MOUNTING

Havis's rugged keyboard mounts provide secure, efficient and reliable mounting for keyboards. Keyboards can be positioned for ultimate comfort and ergonomic use and include integrated AMPS & VESA 75 mounting patterns.

MH-3001, KB-103

- Underseat keyboard mount
- Left or right side installation
- Dual pivoting for ergonomic positioning
- Allows for keyboard storage
- AMPS compatible

MH-ARM-0606, KB-103, C-KBM-201

- Forklift A-pillar keyboard mount
- Independent mounting bracket
- Capable of tilting at various degrees
- Articulating swivel arms
- Built-in tilt swivel mounting plate
- AMPS & VESA 75 compatible

C-MH-1009, KB-106

- Overhead mounted
- Adjustable vertical positioning
- 90-degree tilt & 180-degree rotation
- Flip up keyboard tray
- AMPS & VESA 75 compatible

USB KEYBOARD WITH INTEGRATED TOUCHPAD

KB-106

- 87-key numeric pad
- 12 function keys
- IP65 rated for demanding environments
- Allows for connection to docking station or computing device
- VESA & AMPS compatible

USB KEYBOARD WITH OVERSIZED KEYS

KB-114

- Alphabetic & color oversized keys
- ABS polycarbonate case with mounting holes
- Small footprint design
- Sealed from dust, liquids & corrosives
- AMPS compatible

USB KEYBOARD WITH EPOXY KEYCAPS

KB-115

- Epoxy-coated keys
- ABS polycarbonate case with mounting holes
- Small footprint design
- Integrated backlighting
- AMPS compatible

USB BACKLIT MOBILE KEYBOARD

KB-116

- 10-key numeric pad
- 12 function keys
- Built-in mounting holes
- Integrated backlighting
- MS Windows function keys
- USB & PS/2 configurations below
- AMPS compatible

BACKLIT USB KEYBOARD WITH FORCE SENSING RESISTOR

KB-117

- 10-key numeric pad
- Industrial silicone rubber keypad
- Integrated backlighting
- Integrated touchpad
- Lightweight ABS polycarbonate case
- Low profile keys for easy cleaning
- AMPS compatible

ACCESSORY MOUNTING

**UNIVERSAL BARCODE
SCANNER BUCKET**

PKG-MH-3008

- Accommodates most scanners & handheld computers
- Bucket is adjustable to fit devices 2.25" – 3.75" wide
- Offers scanning capabilities while holstered
- Scanner Bucket includes industry standard AMPS pattern for general mounting

**DUAL BALL MOUNT UNIVERSAL
BARCODE SCANNER BUCKET**

PKG-MH-3008-2

- Accommodates most scanners & tablets
- Bucket is adjustable to fit devices 2.25" – 3.75" wide
- Offers scanning capabilities while holstered
- Scanner Bucket includes industry standard AMPS pattern for general mounting
- Dual ball mount allows for additional flexibility

UNDER SEAT PRINTER MOUNT FOR ZEBRA ZQ520 PRINTER
