

MOBILE PROTECT & GO FOR INGENICO LINK/2500

PROTECT YOUR DEVICE AND MAXIMIZE ITS POTENTIAL

Havis is proud to offer a full portfolio of premium technology mounting solutions for Ingenico products to seamlessly secure, pair, charge and communicate. This Mobile Protect & Go Case offers users an effective, aesthetic and ergonomic way to protect their Ingenico Link2500 device and achieve enhanced usability.

- Designed and constructed using a blend of high quality materials
- Protects device on all corners and sides, providing added protection against drops, scratches and scuffs
- Unhindered access to all features and functions on device including camera, buttons and ports
- Custom branding and logo options available
- Easy tool-less installation
- Belt clip and lanyard provisions for additional security when transporting device around the working environment

PAYMENT MOUNTING OPTIONS

In addition to the Mobile Protect line, Havis also provides a wide range of fixed and convertible/mobile mounting solutions which allow the Ingenico Link/2500 to be securely and discreetly mounted either with or without a protective case.
