

# MOBILE PROTECT & GO FOR CASTLES S1F2

## PROTECT YOUR DEVICE & MAXIMIZE ITS POTENTIAL

Expertly designed for the Castles S1F2 mobile payment device, Mobile Protect & Go provides an additional layer of protection against drops on all eight corners. All device features, including the 5.5" touchscreen, camera and printer, remain fully accessible, while the soft-grip material provides an improved grip experience. Compatible with the Havis single-bay and 4-bay chargers, this Mobile Protect case ensures optimal operational availability.

- Designed to protect the device & touchscreen from drop damage
- Improved grip experience
- Easy access to all device features including full touchscreen, camera & printer
- Optional charger (single-bay or 4-bay) allows for charging with or without case
- Enhance customer experience & maximize productivity
