

HAVIS: THE ULTIMATE POWER MANAGEMENT PARTNER

PRODUCTIVITY NEEDS POWER

Backed by a legacy of 80+ years and deep electrical engineering competency, Havis is an industry leading provider of innovative Power Management Solutions designed to meet the demanding needs of diverse industries such as Law Enforcement, EMS, Fire, Energy & Utilities, and Transportation. Power is critical and Havis provides the total solution - choose from power supplies, power inverters, battery management solutions, electronic flashers, auto shut-off timers and more.

WHY HAVIS POWER MANAGEMENT SOLUTIONS?

- High quality, durable construction - UL & CE compliant.
- Built to ensure zero downtime & peak operational performance.
- Enables seamless operations in the most challenging environments.
- Uninterrupted, dependable power that adapts to your needs & integrates seamlessly with existing equipment.

POWER MANAGEMENT PORTFOLIO

	POWER SUPPLIES	Havis DC Power Adapters ensure reliable power & are available for a variety of Havis Laptop & Tablet Docking Stations.
	POWER INVERTERS	Convert DC power to AC power & ensure dependable energy to power essential devices & equipment in vehicles & mobile workstations.
	BATTERY MANAGEMENT	Choose the perfect Isolator or Equalizer solution for your vehicle, built for minimal maintenance & years of trouble-free service.
	ELECTRONIC FLASHERS	Havis Electronic Flashers produce a variety of lighting patterns & sequences across a broad range of amperage ratings.
	AUTO SHUT-OFF TIMERS	Protect your devices & prevent dead batteries with smart Auto Shut-Off Timers, offering reliable protection for less than the cost of a tow.
	CAN BUS PRODUCTS	Protect your starting batteries & ensure your fleet vehicle batteries operate seamlessly by preventing electrical parasitic loads from completely depleting them.
