REDEFINING THE WORKSPACE FOR PUBLIC SECTOR PROFESSIONALS

Havis VSX consoles set the standard—not just for quality, but for what's possible. As the original innovators in rugged vehicle console design, we lead where others follow. Purpose-built for law enforcement and trusted by public safety professionals for over 80 years, VSX represents the future of in-vehicle integration: stronger, smarter, and seamlessly matched to the vehicles they serve.

- 23% Lighter Construction – Steel and polycarbonate design reduces vehicle weight for improved fuel efficiency without compromising strength
- OEM Integration – Precision-engineered design blends seamlessly with your Tahoe's interior like a factory-installed component
- Proven Durability – Steel chassis foundation maintains our legendary ruggedness with modern ergonomic enhancements

INTEGRATED PRINTER MOUNT

- Creates additional mounting space
- Supports Brother PocketJet Printers
- Access to OEM Controls
- Ergonomic access to printed reports
- Allows light siren control mounting

INTERNAL POLE MOUNT

- Internally mounted in the console
- Optimizes visibility & passenger side comfort
- Supports laptops, tablets & keyboards

ARMREST

- Internal console mounting
- Extra clearance for belt gear
- Locking storage fits standard handguns
- Durable, comfortable polyurethane armrest

CARD HOLDER & PEN WELL

- Space for driver's licenses & pens
- Access to OEM Controls

EXTRUSIONS

- Lightweight & durable aluminum
- Reinforcement of polycarbonate housing
- 18" of mounting space
- 8" nut track for external mounting on both sides
- Easy attachment for mic clips and other accessories
- Concealed by trim strips for OEM styling

SIDE STORAGE & CHARGING

- Storage pockets on driver & passenger sides
- Dual USB & 12V outlet options on driver & passenger sides
- Removable access panels on driver & passenger sides
