

# TECHTOWER

## MOUNTING SOLUTIONS

TechTower from Havis is a durable, reliable and configurable mounting solution, ideal for Point of Sale (POS) and workstation use cases. Whether in a distributed checkout or a desktop environment, TechTower brings together all peripherals of a POS system (display(s), payment terminal, printer and scanner) and allows them to be seamlessly integrated to create an efficient mounting configuration.

### KEY FEATURES

- Constructed with high quality steel, TechTower is designed to be both robust and aesthetically pleasing
- Complements modern store environments
- Ideal for Point of Sale (POS) & workstation use cases
- Industry-standard VESA mounting options including single or double pivot and back-to-back displays
- Excellent cable management
- Configurable - easily upgrade or add new technology in future without having to remove all technology from the pole
- Supports POS peripherals from all major providers including HP, Toshiba, Elo, NCR, Verifone, Ingenico, Pax, Epson, Star & more

## POLE OPTIONS

| PART NUMBER | DESCRIPTION                                | PRODUCT DIMENSIONS<br>W" x D" x H" (MM)              | PRODUCT WEIGHT<br>LBS/KG |
|-------------|--|--|--------------------------|
| 367-4005-10 | 16" Pole (2" diameter), grommet mount      | 4.25" x 4.25" x 16.25"<br>(107.95 x 107.95 x 412.75) | 4lbs/1.8kg               |
| 367-4005-11 | 24" Pole (2" diameter), grommet mount      | 4.25" x 4.25" x 24.25"<br>(107.95 x 107.95 x 615.95) | 5lbs/2.3kg               |
| 367-4005-30 | 16" Pole (2" diameter), free standing base | 16" x 0.26" x 16.42"<br>(406.4 x 6.6 x 417.07)       | 12lbs/5.45kg             |

## MONITOR MOUNTS

|             |   |   |               |
|-------------|---|---|---------------|
| 367-4008-11 | Single Pivot Monitor Mount (up/down), fixed pole clamp (75/100 VESA compliant, up to 20lbs)           | 4.5" x 5.2" x 2.75"<br>(114.3 x 132.08 x 69.85) | 1.8lbs/0.81kg |
| 367-4008-15 | Single Pivot Monitor Mount (up/down), rotating pole clamp (75/100 VESA compliant, up to 20lbs)        | 4.5" x 5.3" x 3.25"<br>(114.3 x 134.62 x 82.55) | 2.3lbs/1.04kg |
| 367-4008-21 | Double Pivot Monitor Mount (up/down, L/R), fixed pole clamp (75/100 VESA compliant, up to 20lbs)      | 6" x 5.5" x 4"<br>(152.4 x 139.7 x 101.6)       | 2lbs/0.9kg    |
| 367-2008-40 | Monitor Arm, articulating height (fixed), fixed pole clamp (75/100 VESA compliant, up to 20lbs)       | 5" x 4.5" x 7.75"<br>(127 x 114.3 x 196.85)     | 3lbs/1.4kg    |
| 367-2008-45 | Monitor Arm, articulating height (rotating), rotating pole clamp (75/100 VESA compliant, up to 20lbs) | 5" x 4.5" x 8"<br>(127 x 114.3 x 203.2)         | 3lbs/1.4kg    |

## PERIPHERAL MOUNTS

|             |  |   |              |
|-------------|--|---|--------------|
| 367-2009-40 | Payment Device Arm, fixed length, rotating pole clamp (Universal - for Havis Conversion Stands)  | 13" x 2.5" x 3"<br>(330.2 x 63.5 x 76.2)        | 2.2lbs/1.0kg |
| 367-2009-49 | Payment Device Arm, fixed length, fixed pole clamp (for Havis FlexiPole Stands) - MOQs apply   | 8.3" x 3.0" x 1.7"<br>(211 x 76.2 x 43.2)       | 3lbs/1.36kg  |
